DETAILED ACTION

Allowable Subject Matter

4. Claims 1-16 are allowed.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the following:

a performance scheduler that creates a performance schedule showing a plurality of performance levels of an electronic device, based on a charge level of a battery used in the electronic device and a table of times at which application programs are executed in the electronic device.

For these reasons, claims 1, 9, 11-16 are deemed to be allowable over the prior art of record and claims 2-8, 10 are allowed by dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
